

RETROFITTING YOUR HOME? WHY NOT GET PAID?

PARTICIPATE IN A RESEARCH STUDY TO TEST THE AIR QUALITY IN YOUR HOME AND EARN \$400

ABOUT US:

Researchers from Illinois Institute of Technology are working with local non-profit Elevate Energy and funded by the EPA to test air quality in homes across Chicago

WHO QUALIFIES:

- Single-family or multi-family homes already completing, or interested in completing, an energy efficiency retrofit on their home

PROCESS STEPS:

1. 2 visits to your home before it is retrofitted
2. Retrofit your home
3. 2 visits to your home after retrofit is complete
4. Earn \$400!
